About The Turnip Princess and Other Newly Discovered Fairy Tales A rare discovery in the world of fairy tales—now for the first time in English Move over, Cinderella: Make way for the Turnip Princess! And for the " Cinderellas " in these stories, which turn our understanding of gender in fairy tales on its head.

The Turnip Princess and Other Newly Discovered Fairy Tales ...
The back cover of the book, The Turnip Princess and Other Newly Discovered Fairy Tales, states that in the 1850s the author "traversed the forests, lowlands, and mountains of northern Bavaria to record fairy tales" so I had high hopes of reading detailed information about Bavaria in the 1850s. No such luck.

The Turnip Princess: And Other Newly Discovered Fairy ...
The Turnip Princess and Other Newly Discovered Fairy Tales turns an eye to the efforts of one man, Franz Xaver von Schönwerth, and his desire to seek out the origins and petering sparks of lost fairytales. The ancestral timbre of these lost stories isn't blunted by any generational sieve and, as such, they capture quite a bit more of the intensity of their eras.

A rare discovery in the world of fairy tales—now for the first time in English Move over, Cinderella: Make way for the Turnip Princess! And for the " Cinderellas " in these stories, which turn our understanding of gender in fairy tales on its head. With this volume, the holy trinity of fairy tales—the Brothers Grimm, Charles Perrault, and Hans Christian Andersen—becomes a quartet. In the 1850s, Franz Xaver von Schönwerth traversed the forests, lowlands, and mountains of northern Bavaria to record fairy tales, gaining the admiration of even the Brothers Grimm. Most of Schönwerth's work was lost—until a few years ago, when thirty boxes of manuscripts were uncovered in a German municipal archive. Now, for the first time, Schönwerth's lost fairy tales are available in English. Violent, dark, and full of action, and upending the relationship between damsels in distress and their dragon-slaying heroes, these more than seventy stories bring us closer than ever to the unadorned oral tradition in which fairy tales are rooted, revolutionizing our understanding of a hallowed genre. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Approximately 150 fairy and folk tales from a three-volume scholarly work of the 1850s. Includes Introduction to the German and East Bavarian stories. Tales of giants, witches, death, other subjects grouped thematically.

This striking, richly illustrated edition of long-lost German fairy tales is not a book for children. It is a book for adults. Or for adults to frighten children into behaving...whichever you prefer. In 2009, a trove of lost fairy tales collected by Franz Xaver von Schönwerth—a 19th-century collector of Bavarian folk tales and contemporary of the Brothers Grimm—was unearthed in a municipal archive in Germany. Unlike the Grimms, who polished the stories they collected, adapting to contemporary tastes, von Schönwerth recorded the stories as they were told, plucking them directly from the living, breathing tree of oral storytelling, retaining their darker themes and sometimes shocking violence. Von Schönwerth published a single volume of these tales in his lifetime, but the vast majority languished and were forgotten over the years, effectively frozen in time until their recent rediscovery. Now, award-winning illustrator Willow Dawson, in collaboration with translator Shelley Tanaka, has brought these long-lost tales unforgetably to life, illuminating with striking woodcut-style illustrations a spectacular collection that will change the way you look at fairy tales forever. Paired with Dawson's arresting artwork, the stories in White as Milk, Red as Blood race with palpable energy through fantasy landscapes darker, bawdier and racier than anything we find in Disney or the Grimms. Following the tradition of illustrated fairy-tale collectors, White as Milk, Red as Blood is the very first fully illustrated, full-colour edition of Franz Xaver von Schonwerth's work. It is a timeless tome of enchantment and foreboding: tales—as haunting as they are profound—of powerful princesses, helpless men, lecherous villains, virtuous girls, witches, giants, at least one female serial killer, mer-people, shape-shifters and talking beasts—a kaleidoscope of wonders both familiar and entirely new, rich and strange. Dawson and Tanaka's dark and lively take on von Schönwerth's collected tales will appeal to fans of Mike Mignola's classic fantasy comic-book series Hellboy.

A cumulative tale in which the turnip planted by an old man grows so enormous that everyone must help to pull it up.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Badger Girl's delighted to find the biggest turnip she's ever seen growing in her vegetable garden, but when the time comes to harvest the giant root, she's unable to pull it up without help from family and friends.

The " tale as old as time. " in versions from across the centuries and around the world—published to coincide with Disney ' s live-action 3D musical film starring Emma Watson, Ian McKellen, Ewan McGregor, Audra McDonald, Kevin Kline, Stanley Tucci, Dan Stevens, and Emma Thompson Nearly every culture tells the story of Beauty and the Beast in one fashion or another. From Cupid and Psyche to India ' s Snake Bride to South Africa ' s " Story of Five Heads, " the partnering of beasts and beauties, of humans and animals in all their variety—cats, dogs, frogs, goats, lizards, bears, tortoises, monkeys, cranes, warthogs—has beguiled us for thousands of years, mapping the cultural contradictions that riddle every romantic relationship. In this fascinating volume, preeminent fairy tale scholar Maria Tatar brings together tales from ancient times to the present and from a wide variety of cultures, highlighting the continuities and the range of themes in a fairy tale that has been used both to keep young women in their place and to encourage them to rebel, and that has entertained adults and children alike. With fresh commentary, she shows us what animals and monsters, both male and female, tell us about ourselves, and about the transformative power of empathy. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Originally titled Children's and household tales, The complete Grimm's fairy tales have contained the essential bedtime stories for children worldwide for the better part of two centuries. This edition features 201 fairy tales and 10 children's legends, accompanied by over 60 iconic illustrations from Arthur Rackham and a new introduction.

He is a prince and heir to a kingdom threatened on all sides, possessor of the forbidden animal magic. She is a princess from a rival kingdom, the daughter her father never wanted, isolated from all except her hound. In this lush and beautifully written fairy-tale romance, a prince, a princess, and two kingdoms are joined in the aftermath of a war. Proud, stubborn, and bound to marry for duty, George and Beatrice will steal your heart—but will they fall in love?
