published in 1947, *The Uneasy Conscience of Modern Fundamentalism* has since served as the manifesto of evangelical Christians serious about bringing the fundamentals of the Christian faith to bear in contemporary culture.

The Uneasy Conscience of Modern Fundamentalism: Amazon.co ...

In *The Uneasy Conscience of Modern Fundamentalism*, Henry charges the evangelical fundamentalists in his time with ignoring social reforms because of their differences with the non-evangelical community, which is bringing about reform. He calls the evangelical fundamentalists in his time to work for social justice together, arguing that their doctrinal convictions necessitate opposition to social evils and must be proclaimed as the only ultimate solution to a hurting world.

The Uneasy Conscience of Modern Fundamentalism by Carl F.H ...

I recently took notes over Carl F.H. Henry's The Uneasy Conscience of Modern Fundamentalism. Written in 1947 (when "fundamentalism" and "evangelicalism" were equivalent terms), Henry's call was for a theologically informed and socially engaged evangelicalism. Henry was concerned that, through its separatist mentality and tendency to separate social action from the concern of the Christian, modern evangelicalism was becoming irrelevant – and, more than that, unbiblical.

Notes on Carl Henry's The Uneasy Conscience of Modern ...

The Uneasy Conscience of Modern Fundamentalism contains eight addresses that Henry originally delivered at Gordon College of Theology and Missions in Boston. In the first, "The Evaporation of...

The Uneasy Conscience of Modern Fundamentalism Summary ...

In fact, one of Henry's earliest and most well-known works, The Uneasy Conscience of Modern Fundamentalism (1947), was a critique of conservative Christians. In it, Carl Henry asserts that Fundamentalism (which he uses

Henry's prophetic volume, *The Uneasy Conscience of Modern Fundamentalism*. In only 89 pages, Henry delivered a word that shocked and challenged Christians in the post-war era. Having lived through the brutal and horrific realities of the second world war, including the Jewish Holocaust and the deployment of atomic weapons, Americans in the middle of the 20th century were facing a difficult future.

9780802826619: The Uneasy Conscience of Modern ...

The title of this book is The Uneasy Conscience of Modern Fundamentalism and it was written by Carl F. H. Henry, Richard J. Mouw (Foreword).

Presents a probing interpretation of Christian fundamentalism in the late 1940s. Offers a candid critique against evangelical mistakes, and extends a call for renewal.

In *The Uneasy Conscience of Modern Fundamentalism*, Carl F. H. Henry critiques separatist evangelicals and their absence from the social arena, calling on all Christians to unite humanitarianism with Christ-centered leadership to impact the kingdom of God.

Once upon a time, evangelicalism was a countercultural upstart movement. Positioned in between mainline denominational liberalism and reactionary fundamentalism, evangelicals saw themselves as evangelists to all of

Acces PDF The Uneasy Conscience Of Modern Fundamentalism

culture. Billy Graham was reaching the masses with his Crusades, Francis Schaeffer was reaching artists and university students at L'Abri, Larry Norman was recording Jesus music on secular record labels and touring with Janis Joplin and the Doors, and Carl F. H. Henry was reaching the intellectuals through Christianity Today. It was the dawn of "classic evangelicalism." Surveying the current evangelical landscape, however, one gets the feeling that we're backpedaling quickly. We are more theologically diffuse, culturally gun-shy, and fragmented than ever before. What has happened? And how do we find our way back? Using the life and work of Carl F. H. Henry as a key to evangelicalism's past and a cipher for its future, this book provides crucial insights for a renewed vision of the church's place in modern society and charts a refreshing course toward unity under the banner of "classic evangelicalism."

Recent surveys show that the lives of evangelicals often prove to be no different than nonbelievers. This book offers solutions to the disconnect between Christians' beliefs and day-to-day lives.

Critiques the moral and intellectual disintegration sweeping our culture. A call to make a lasting imprint on our age.

Acces PDF The Uneasy Conscience Of Modern Fundamentalism

In an age that is increasingly conflicted about evangelical identity and theological truth, Christians need a foundation for navigating the shifting culture. Although forgotten by some, twentieth-century theologian Carl F. H. Henry stands as one of the most influential leaders of modern evangelicalism. In this collection of essays written by leading theologians, readers will discover the extraordinary legacy that Henry left behind—a legacy desperately needed in our world today. Highlighting Henry's unshakable confidence in the truth of God's Word, these essays demonstrate how a renewed commitment to theology will lead to a greater love for God and others.

Study which takes seriously both the moral revelation of Christianity and the ethical alternatives of speculative philosophy.

Western Civilization is wealthier, but it isn't happier. We are the richest people ever to walk the face of the earth, but according to research, we aren't becoming happier. Families and communities are increasingly fragmented, loneliness is skyrocketing, and physical and mental health are on the decline. Our unprecedented wealth doesn't seem to be doing us much good. Yet, when we try to help poor people at home or abroad, our implicit assumption is that the goal is to help them to become like us. "If they

Acces PDF The Uneasy Conscience Of Modern Fundamentalism

would just do things our way, they'd be fine!" But even when they seem to pursue our path, they too find that the American Dream doesn't work for them. What if we have the wrong idea altogether? What if the molds we are using to help poor people don't actually fit any of us? What if the goal isn't to turn other countries into the United States or to turn America's impoverished communities into its affluent suburbs? In *Becoming Whole* (building on the best-selling *When Helping Hurts*), Brian Fikkert and Kelly M. Kopic look at the true sources of brokenness and poverty and uncover the surprising pathways to human flourishing, for poor and non-poor alike. Exposing the misconceptions of both Western Civilization and the Western church about the nature of God, human beings, and the world, they redefine success and offer new ways of achieving that success. Through biblical insights, scientific research, and practical experience, they show you how the good news of the kingdom of God reshapes our lives and our poverty alleviation ministries, moving everybody involved towards wholeness.

This book examines a number of facets of contemporary culture and sets forth what thoughtful Christians have been and should be thinking about each one. Contributors and topics include Kevin J. Vanhoozer on hermeneutics, D.A. Carson on pluralism, Robert J. Priest on anthropology, Lewis W. Spitz on history, Loren Wilkinson on the
