Warning - this book contains all of the mazes from The Usborne Very Big Maze Book (67+% of this book is identical). So if your child already completed the previous Very Big Maze book, don't get this one because its too much the same. I suspect all of the mazes came from previous books but I cannot verify that.

About Big Maze Book. Price: \$14.99 Age: 6 years and up Size: 9 3/4 x 12 Pages: 128 Series: Big Maze Book By: Usborne Books & More. Customer Review of Big Maze Book: "Every time I open this book, I am always amazed at the pictures! These are no ordinary mazes, they are complicated. It's good for following directions." (From Big Maze Book) Other Usborne books in the Series include: Big Maze Book

Fifty amazing mazes, each one completely different from the one before. With extra puzzles to solve and challenges to complete en route, encouraging children to develop their problem-solving and visual recognition skills.

This delightful pack contains a beautifully illustrated jigsaw of a vibrant space scene that features a maze to solve once it's assembled. It also includes a 32-page book with a selection of more space-themed mazes for children to have fun finding their way through.

From exploring Beattie Bunny's underground burrow to steering a spaceship through an alien galaxy, this interactive pad offers something to capture the imagination of any child. Each tear-off sheet features a satisfyingly challenging maze with plenty of objects and details to spot, while the reverse has outline illustrations with space for children to complete and colour mazes of their own.

Lots of amazing mazes set in space, each one completely different from the one before. Many of the mazes contain extra puzzles to solve and challenges to complete en route, and the mazes get gradually more and more difficult throughout the book, pushing children to develop their problem-solving and visual recognition skills.

Lots of amazing Pirate mazes, each one completely different from the one before. Many of the mazes contain extra puzzles to solve and challenges to complete en route, and the mazes get gradually more and more difficult throughout the book, pushing children to develop their problem-solving and visual recognition skills.

A collection of simple but innovative mazes to solve, for very young children. Help the squirrel find his way up the tree, along the branches and up to the nuts; the jellyfish to find its way out of a tangle of seaweed; a rocket to navigate a suitable route through the galaxy, and much more. Usborne's range of maze books for older children has proved a huge success. This book makes mazes accessible to younger readers. Develops logic, observation and pen control.

The excitement begins when Cat and Mouse meet a sad penguin called Pinkie who needs a friend. Can you help them follow the maps and clues that lead to Penguinland?

This delightful pack contains a beautifully illustrated jigsaw of a vibrant under-the-sea scene that features a maze to solve once it's assembled. It also includes a 32-page book with a selection of more marine mazes for children to have fun finding their way through.

A new maze book based on real maps and on made-up maps! Many of the mazes contain extra puzzles to solve and challenges to complete en route, and the mazes get gradually more and more difficult throughout the book, pushing children to develop their problem-solving and visual recognition skills.

From Tokyo to New York, Alpine Mountains to Pedigree Parks, children are taken on a whirlwind journey around the globe, solving puzzles along the way. A brilliant introduction to maps without the aid of technology. Illustrations: Full colour throughout
