A grimoire to some, an anarchist's cookbook of Blood Sorcery and Necromancy to others, the Blood Sorcery Bible is the first book of its kind to openly discuss the intricacies of Blood Sorcery from the science of self-vivisection to the combination of sexual fluids and magnetics. If you are looking for a fairy tale about wizardry or if you are seeking a deity from which to seek permission, this is not the book for you. On the other hand, if you desire to dip into the pot with your Left Hand and manipulate situations to your benefit, this is your Bible! The author has spent over twenty-five years experimenting and practising the mechanics and physics of Blood Sorcery. The result is this manual, offered to those who are not afraid to work Dark Sorcery to create the world they envision for themselves.

The Re-Enchantment of the West challenges those theories that predict widespread secularization beyond traditional institutional religiosity. Spiritualities are emerging that are not only quite different from the those forms of religion that are in decline, but are often defined over against them and articulated and passed on in ways quite different from those of traditional religion. In particular, it is argued that such contemporary Western spirituality is fed by a constantly replenished reservoir of ideas, practices, and methodologies, which is here termed 'occulture'. Moreover, such occultural ideas both feed into and are resourced by popular culture. Indeed, popular occulture is a key feature of the re-enchantment of the West. Demonstrating the significance and ubiquity of these ideas, this book examines, for example, healthcare and nursing, contemporary environmentalism, psychedelia and drug use, the Internet and cyberspirituality, belief in UFOs and extraterrestrial life, demonology and the contemporary fascination with the figure of Satan, the heavy metal subculture, popular apocalypticism, and millennial violence.

Long before Dracula, people were fascinated by vampires. The interest has continued in more recent times with Anne Rice's Lestat novels, Buffy the Vampire Slayer, the HBO series True Blood, and the immensely popular Twilight. But vampires are not just the stuff of folklore and fiction. Based upon extensive interviews with members of the Atlanta Vampire Alliance and others within vampire communities throughout the United States, this fascinating book looks at the details of real vampire life and the many expressions of vampirism as it now exists. In Vampires Today: The Truth about Modern Vampirism, Joseph Laycock argues that today's vampires are best understood as an identity group, and that vampirism has caused a profound change in how individuals choose to define themselves. As vampires come "out of the coffin," as followers of a "religion" or "lifestyle" or as people biologically distinct from other humans, their confrontation with mainstream society will raise questions, as it does here, about how we define "normal" and what it means to be human.

This volume presents students and scholars with a comprehensive overview of the fascinating world of the occult. It explores the history of Western occultism, from ancient and medieval sources via the Renaissance, right up to the nineteenth and twentieth centuries and contemporary occultism. Written by a distinguished team of contributors, the essays consider key figures, beliefs and practices as well as popular culture.

A comprehensive and authoritative guide to over 200 new religions, sects and alternative spiritualities

Looks at religious diversity in the United States from mainstream faiths to Wicca and Zen, discussing faith, religious practices, traditions, and history of religions.

In Heaven Right Now: Prophet Chronicles, Melvin Abercrombie shares the truth about vampires and explores the contention that 90 percent of religions are wrong about what they teach their followers concerning what happens when they die. Abercrombie, a former Christian minister and founder of Broken Wing Ministry, has completed the initiation of the real vampire through Temple of the Vampire in California. In his third book, he presents an inquisitive

examination of religion and vampires while sharing the realities of what it is like to have an immortal soul. Abercrombie dispels common myths and brings a new perspective as he teaches others that vampires are not afraid of the cross or the sun, that they do not drink blood, and that they do not transform into bats or wolves. Instead, vampires live in the temporary mortal flesh to feed, drink, and enjoy their five senses and live to teach the truth about reincarnation. We really are all in Heaven Right Now, and this informative exploration encourages you to shake off previously learned perceptions about death and accept the real truth.

"This book is a story about individuals, and the drama their lives wove. The text has been corrupted and distorted so that there exists a confusing number of versions. How did the text of the Bible come to be what it is? This book provides an understanding of, and an appreciation for, the richness of its text"--

Presenting the forbidden works of Chaos, Vampiric and Luciferian Sorcery. A grimoire which explores the dark feminine current of HECATE, Witch Moon explores ritual and dream Lycanthropy, Chaos Sorcery and Luciferian Ritual practice as well as the darksome practice of Vampirism and Predatory Spirituality. The Nine Angles and the Trapezoid workings, inspired by Anton LaVey and presented around the cult of Daeva-Yasna, the persian demon-sorcery of Yatuk Dinoih. Contains the Rituals of Dream, ritual and astral vampirism as an initiatory tool, other Cabalistic workings presenting the Qliploth. Contains the Grimoire based on Ancient Egyptian Vampirism, LIBER AAPEP, Luciferian Magick practice, The Chaos Cult Workings of Choronzon as Vampire, The Rites of Hecate, the Infernal and Luciferian Sabbat, and the foundations of Satanic practice in Magick.
