The Voice in the Night It was a dark, starless night. We were becalmed in the Northern Pacific. Our exact position I do not know; for the sun had been hidden during the course of a weary, breathless week, by a thin haze which had seemed to float above us, about the height of our mastheads, at whites descending and shrouding the surrounding sea.

#1 New York Times bestselling author Dean Koontz gives a new meaning to “blood brothers” in this chilling novel of friendship gone awry... No one could understand why Colin and Roy were best friends. Colin was so shy; Roy was so popular. Colin was nervous around girls; Roy was a ladies’ man. Colin was fascinated by Roy—and Roy was fascinated by death. Then one day Roy asked his timid friend: “You ever killed anything?” And from that moment on, the two were bound together in a game too terrifying to imagine...and too irresistible to stop.

The Voice in the Night, a short story by William Hope Hodgson, has been adapted by the cinema a number of times, most prominently in the 1963 Japanese film “Matango”. It also appeared in Alfred Hitchcock's paperback anthology “Alfred Hitchcock Presents: Stories They Wouldn't Let Me Do on TV”. William Hope Hodgson (1877 – 1918) was an English author that produced essays and novels, that mixes horror, fantastic fiction and science fiction. Hodgson used his experiences at sea to his short stories, many of which are set on the ocean. Hodgson’s single most famous story is probably The Voice in the Night”, where a fisherman’s aboard a ship in the North Pacific, on night watch in a fog-bank, hears a voice call out from the sea. The voice asks for food, but it insists it can come no closer, that it fears the light, and that God is merciful. In payment for the food it tells a frightening tale... The Voice in the Night integrates the collection “Classics of World Literature”, developed by Atlântico Press, a publisher company present in the global editorial market, since 1992.

Astonishing True Story of the Miracles That Are Changing Africa
Born into a long line of witch doctors, Surprise ("Sorpresa") Sithole was destined for a life of fear, oppression, and poverty in the jungles of Africa. But at the age of fifteen, he was awakened in the middle of the night by an unfamiliar voice. Urgent, but not harsh, it told him to get up and leave his family immediately. As Surprise stepped out into the night, away from everything dear to him, he had no idea who God was--or what he had in store for him. From miraculous signs and wonders to supernatural deliverance from certain death to divine revivals that overtook countries, Surprise has followed wherever God has led, becoming an agent of hope and change in a continent devastated by war, poverty, and spiritual oppression. Voice in the Night is the amazing true story of what began that night in a jungle hut more than twenty-five years ago: a journey—an adventure—of faith and miracles.

Lucie hasn't forgotten a man called Martin who was tragically killed twenty years ago in the 9/11 attacks. When she was working in New York as a young intern Lucie had fallen in love with him and he vowed to leave his wife to be with her permanently. Or could it be that someone else is stalking her, or that her vivid imagination is playing tricks? “You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano.” A.J. Finn, #1 New York Times bestselling author of The Woman in the Window
Montalbano investigates a robbery at a supermarket, a standard case that takes a spin when manager Guido Borsellino is later found hanging in his office. Was it a suicide? The inspector and the coroner have their doubts, and further investigation leads to the director of a powerful local company. Meanwhile, a girl is found brutally murdered in Giovanni Strangio’s apartment—Giovanni has a flawless alibi, and it’s no coincidence that Michele Strangio, president of the province, is his father. Weaving together these two crimes, Montalbano realizes that he's in a difficult spot where political power is enmeshed with the mafia underworld.

The author explains his poetic mission thus: 'it is the cultural tradition in my part of the world, that when abominations become unbearable, and the truth must be told with great courage, then the night masquerade appears...in order to set a senseless practice right; sometimes the night masquerade must confront the ruler and point out the nakedness of his utterances...this is the voice of the night masquerade, I am only the medium.' The ensuing collection of poems is divided into three sections: 'Night' - alluding to the night the mother of the spirits walked the length and breadth of the clan, weeping for her murdered son, in 'Things Fall Apart'; 'Night Vigil', and 'Night Passages'. This book was joint winner of the Association of Nigerian Authors' Poetry Prize in 1997.

From the Pulitzer and Story Prize winner: sixteen new stories—provocative, funny, disturbing, enchanting—that delve into the secret lives and desires of ordinary people, alongside retellings of myths and legends that highlight the aspirations of the human spirit. Beloved for the lens of the strange he places on small town life, Steven Millhauser further reveals in Voices in the Night the darkest parts of our inner selves to brilliant and dazzling effect. Here are stories of wondrously imaginative hyperrealism, stories that pose unforgettably unsettling what-ifs, or that find barely perceivable evils within the safe boundaries of our towns, homes, and even within our bodies. Here, too, are stories culled from religion and fables: Samuel, who hears the voice of God calling him in the night; a young, pre-enlightenment Buddha, who searches for his purpose in life; Rapunzel and her Prince, who struggle to fit the real world to their dream. Heightened by magic, the divine, and the uncanny, shot through with sly and winning humor, Voices in the Night seamlessly combines the whimsy and surprise of the familiar with intoxicating fantasies that take us beyond our daily lives, all done with the hallmark sleight of hand and astonishing virtuosity of one of our greatest contemporary storytellers.

From one of Italy’s greatest writers, a stunning novel “filled with shimmering, risky, darting observation” (Colm Tóibín)
After WWII, a small Italian town struggles to emerge from under the thumb of Fascism. With wit, tenderness, and irony, Elsa, the novel's narrator, weaves a rich tapestry of provincial Italian life: two generations of neighbors and relatives, their gossip and shattered dreams, their heartbreaks and struggles to find happiness. Elsa wants to imagine a future for herself, free from the expectations and burdens of her town’s history, but the weight of the past will always prove unbearable, insistently posing the question: “Why has everything been ruined?”
