The brilliant screenplay of the forthcoming film The Trial of the Chicago 7 by Academy and Emmy Award-winning screenwriter and director Aaron Sorkin. Sorkin ' s film dramatizes the 1969 trial of seven prominent anti-Vietnam War activists in Chicago. Originally there were eight defendants, but one, Bobby Seale, was severed from the trial by Judge Julius Hoffman—after Hoffman had ordered Seale bound and gagged in court. The defendants were a mix of counterculture revolutionaries such as Abbie Hoffman and Jerry Rubin, and political activists such as Tom Hayden, Rennie Davis, and David Dellinger, the last a longtime pacifist who was a generation older than the others. Their lawyers argued that the right to free speech was on trial, whether that speech concerned lifestyles or politics. The Trial of the Chicago 7 stars Sacha Baron Cohen, Eddie Redmayne, Frank Langella, and Mark Rylance, among others, directed by Aaron Sorkin. This book is Sorkin ' s screenplay, the first of his movie screenplays ever published.

These scripts demonstrate TV at its best, and are a thing to treasure and savour, time and time again. 'President Bartlet... is the best world leader that never was. Then there's the writing, the reason that The West Wing is so good. Sometimes... the dialogue reaches such levels of perfection, I could weep.' Evening Standard 'With this wonderful political drama, the writer Aaron Sorkin has created a cast of "savvy political operatives" who you would not only want to run the country, but wouldn't mind letting into your life. The sense of brilliant people behaving honourably cannot fail to be moving: in the George Dubya age, we need this more than ever.' The Times 'When it's like this - fast, funny, moving and smart - The West Wing is about as good as TV gets.' Mirror 'The show remains one of TV's most satisfying hours, a savvy blend of great acting, whip-smart dialogue and grand gestures. If ever the time were ripe for a romantic salute to the value of public service, now would seem to be it.' Robert Bianco, USA Today 'The TV show of the Year! Prime-time's snuggliest blanket in which to curl up, The West Wing is terrific and only getting better. Grade: A.' Ken Tucker, Entertainment Weekly

The West Wing premiered in 1999. That's a long time ago. Back then, we were worrying about the Millennium Bug, paying \$700 for DVD players, and using pagers. 1999: a century ago. And yet, the show continues to have an impact that is arguably unique. If you live or work in DC, references to it are inescapable. People have walked down the aisle to the theme music. Or they've named children, pets, GPS systems, and even an iPhone app after the characters. Or they've started Twitter accounts as the characters to continue the storyline and comment on current political events. Or they credit it for closer relationships with their family members or a way out of depression. In this anthology of quotes and essays, contributors from six countries, ranging in age from twenty to seventy years old, tell their West Wing stories.

Republished fifty years later to coincide with the release this fall of the film of the same title written and directed by Aaron Sorkin with an all-star cast, this is the classic account of perhaps the most infamous, and definitely the most entertaining, trial in recent American history. In the fall of 1969 eight prominent anti-Vietnam War activists were put on trial for conspiring to riot at the 1968 Democratic National Convention in Chicago. One of the eight, Black Panther cofounder Bobby Seale, was literally bound and gagged in court by order of the judge, Julius Hoffman, and his case was separated from that of the others. The activists, who included Abbie Hoffman, Jerry Rubin, and Tom Hayden, and their attorneys, William Kunstler and Leonard Weinglass, insisted that the First Amendment was on trial. Their witnesses were a virtual who's who of the 1960s counterculture: Allen Ginsberg, Timothy Leary, Arlo Guthrie, Judy Collins, Norman Mailer, among them. The defendants constantly interrupted to protest what they felt were unfair rulings by the judge. The trial became a circus, all the while receiving intense media coverage. The convictions that resulted were subsequently overturned on appeal, but the trial remained a political and cultural touchstone, a mirror of the deep divisions in the country. The Trial of the Chicago 7 consists of the highlights from trial testimony with a brief epilogue describing what later happened to the principal figures.

"It's 1929. Two ambitious visionaries race against each other to invent a device called "television." ... Who will unlock the key to the greatest innovation of the 20th century: the ruthless media mogul, or the self-taught Idaho farm boy?"--P. [4] of cover.
