I was 21 when I finished my University degree in Computer Visualization and Games. I was a freshman with no work experience in this field. I was looking for jobs in computer field, mainly games development, web design or 3d animation. It was hard to get 1 interview; I remember those days when I use to apply for dozens of jobs every day. I have been to countless online job recruiters (Reed, Monster, Indeed, etc.) Also, in many Job Center Plus and career advisors such as: Settec, YMCA and many others. Been in many libraries not for reading books but to apply and to get advice in how to get in to the job market. It was taught but eventually I landed in my desired field. Every time I visited the above places my CV was rewritten countless times, until I found how to write a perfect CV from employers' point of view. This took a lot of patients and hard work but eventually I started to get dozens of interviews. I found the secret of writing an interview winning CV. Every time I used to apply for just a few jobs and would get 1 to 3 interviews a week. And this is what I want you to archive. I want you to get job interviews. I want you to learn how to write an interview winning CV. A CV that is written from employers' point of view. In this book titled "CV Resume Writing Techniques Get Hired Immediately" you will learn all the CV writing techniques that will guarantee you an interview. Plus, many interview winning techniques that you should know such as: how to prepare for an interview, how to do research before an interview, most common questions at an interview and how to answer them. After reading this book you will be able to write you own CV from employers' point of view that will give you multiple job interviews a week. Results may vary; however, this book is based on my experience in how I got multiple interviews by learning how to write a perfect CV. I also share with you on this book several ways in how to apply for jobs. Not only online but also by writing a cover letter and sending speculative letters.
