If those objects ended up in the wrong hands, they could destroy the whole realm! Could I make it in time to save Blossom -- and the entire Kingdom of Fantasy?

Twelve-year-old Brine Seaborne is a girl with a past--if only she could remember what it is. Found alone in a rowboat as a child, clutching a shard of the rare starshell needed for spell-casting, she's spent the past years keeping house for an irritable magician and his obnoxious apprentice, Peter. When Brine and Peter get themselves into a load of trouble and flee, they blunder into the path of the legendary pirate ship the Onion. Before you can say "pieces of eight," they're up to their necks in the pirates' quest to find Magical North, a place so shrouded in secrets and myth that most people don't even think it exists. If Brine is lucky, she'll find her place in the world. And if she's unlucky, everyone on the ship will be eaten by sea monsters. It could really go either way.
