Reddit horror sensation Dathan Auerbach delivers a devilishly dark novel about a young boy who goes missing, and the brother who won't stop looking for him. Eric disappeared when he was three years old. Ben looked away for only a second at the grocery store, but that was all it took. His brother was gone. Vanished right into the sticky air of the Florida Panhandle. They say you've got only a couple days to find a missing person. Forty-eight hours to conduct searches, knock on doors, and talk to witnesses. Two days to tear the world apart if there's any chance of putting yours back together. That's your window. That window closed five years ago, leaving Ben's life in ruins. He still looks for his brother. Still searches, while his stepmother sits and waits and whispers for Eric, refusing to leave the house that

Ben's father can no longer afford. Now twenty and desperate for work, Ben takes a night stock job at the only place that will have him: the store that blinked Eric out of existence. Ben can feel that there's something wrong there. With the people. With his boss. With the graffitied baler that shudders and moans and beckons. There's something wrong with the air itself. He knows he's in the right place now. That the store has much to tell him. So he keeps searching. Keeps looking for his baby brother, while missing the most important message of all. That he should have stopped looking.

From Beth Harbison, the New York Times bestselling author of *When in Doubt*, *Add Butter* and *Shoe Addicts Anonymous*, comes *Chose the Wrong Guy*, *Gave Him the Wrong Finger*, a delightful new novel that will make you look at second chances in a whole new way. Ten years ago, Quinn Barton was on her way to the altar to marry Burke Morrison, her high school sweetheart, when something derailed her. Rather, someone derailed her—the Best Man who at the last minute begged her to reconsider the marriage. He told her that Burke had been cheating on her. For a long time. Quinn, stunned, hurt, and confused, struggled with the obligation of fulfilling her guests' expectations—providing a wedding—and running for her life. She chose running. With the Best Man. Who happened to be Burke's brother, Frank. That relationship didn't work either. How could it, when Quinn had been engaged to, in love with, Frank's brother? Quinn opted for neither, and, instead, spends the next seventeen years working in her family's Middleburg, Virginia, bridal shop, *Talk of the Gown*, where she subconsciously does penance for the disservice she did to marriage. But when the two men return to town for another wedding, old anger, hurt, and passion resurface. Just because you've traded the good guy for the bad guy for no guy doesn't mean you have to stay away from love for the rest of your life, does it? Told with Beth Harbison's flair for humor and heart, *Chose the Wrong Guy* will keep you guessing and make you believe in the possibilities of love.

Waking up to a text asking why you stood up your blind date is not the best way to start the day, especially when the man in question is standing half dressed in your kitchen. Maybe Dakota Newton shouldn't have assumed the gorgeous man with a devastating smile standing outside the coffee shop was her date. She probably-- Okay, she definitely shouldn't have slept with him, regardless of how hot the chemistry between them was. But how could she know Mr. Right was actually Mr. Wrong? Braxton Adams has been called a few things in his life, but a liar was never one of them. That all changes when he's approached by a beautiful woman who thinks he's there to meet her for a date. As a businessman, Brax knows to trust his gut and never let an opportunity pass him by, so he pretends to be someone he's not. Maybe he shouldn't have lied. Maybe he should have come clean. But in the end, it doesn't matter, because now he has to prove he's not the wrong man but the right one. So what if he's not the man she's expecting? She's the one he's been waiting for.
