In this Michael L. Printz Honor Book, Lily wishes she could be like the other girls in her class. But how can she? As the only sensible person in her family, she never has time to hang out with friends. Someone has to stay home to look after her brother. Maybe she should fall in love! What could be less sensible than that? When her grandmother invites the whole family to a party, Lily cannot imagine how they will make it through the day. Her mother is always bringing home strange people. Lily doesn't even know her father. Her grandfather has disowned her brother. Her brother has a new girlfriend that no one has met. To top it all off, that day when her eye caught Daniel Steadman's just for a moment, she felt all woozy inside. If that was love, she isn't sure she likes the feeling. As the party approaches, all Lily can hope for is one whole and perfect day. Is it too much to ask?

Rickard Rebellino, S. R. Toliver, Jason Vanfosson, Sarah E. Whitney, and Casey Alane Wilson While critical and popular attention afforded to twenty-first-century young adult literature has exponentially increased in recent years, classroom materials and scholarship have remained static in focus and slight in scope. *Twilight*, *The Hunger Games*, *The Fault in Our Stars*, and *The Hate U Give* overwhelm conversations among scholars and critics—but these are far from the only texts in need of analysis. Beyond the Blockbusters: Themes and Trends in Contemporary Young Adult Fiction offers a necessary remedy to this limiting perspective, bringing together essays about the many subgenres, themes, and character types that have until now been overlooked. The collection tackles a diverse range of topics—modern updates to the marriage plot; fairy tale retellings in dystopian settings; stories of extrajudicial police killings and racial justice. The approaches are united, though, by a commitment to exploring the large-scale generic and theoretical structures at work in each set of texts. As a collection, *Beyond the Blockbusters* is an exciting entryway into a field that continues to grow and change even as its works captivate massive audiences. It will prove a crucial addition to the library of any scholar or instructor of young adult literature.

"Here was once a velveteen rabbit, and in the beginning he was really splendid. He was fat and bunched, as a rabbit should be; his coat was spotted brown and white, he had real thread whiskers, and his ears were lined with pink sateen. On Christmas morning, when he sat wedged in the top of the Boy's stocking, with a sprig of holly between his paws, the effect was charming." First published in 1922, Margery Williams's beloved children's tale of a toy rabbit's quest to become real has enchanted adults and children alike. After accompanying the Boy on many adventures, the Rabbit learns of his tragic fate—and upon being set outside on the eve of his destruction, magic happens. Originally illustrated by William Nicholson, this beloved story has been adapted for stage and screen numerous times since its publication. Be it mystery, romance, drama, comedy, politics, or history, great literature stands the test of time. ClassicJoe proudly brings literary classics to today's digital readers, connecting those who love to read with authors whose work continues to get people talking. The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

Matt is six years old when he discovers that he is different from other children and other people. To most, Matt isn't considered a boy at all, but a beast, dirty and disgusting. But to El Patron, lord of a country called Opium, Matt is the guarantee of eternal life. El Patron loves Matt as he loves himself - for Matt is himself. They share the exact same DNA. As Matt struggles to understand his existence and what that existence truly means, he is threatened by a host of sinister and manipulating characters, from El Patron's power-hungry family to the brain-deadened eejits and mindless slaves that toil Opium's poppy fields. Surrounded by a dangerous army of bodyguards, escape is the only chance Matt has to survive. But even escape is no guarantee of freedom... because Matt is marked by his difference in ways that he doesn't even suspect.

Jackie Morse Kessler's *Riders of the Apocalypse* series follows teens who are transformed into the Four Horsemen of the Apocalypse. In the second book of the series, *Rage*, a teenage cutter becomes War, one of the *Riders of the Apocalypse*. Missy didn't mean to cut so deep. But after the party where she was humiliated in front of practically everyone in school, who could blame her for wanting some comfort? Sure, most people don't find comfort in the touch of a razor blade, but Missy always was . . . different. That's why she was chosen to become one of the Four Horsemen of the Apocalypse: War. Now Missy wields a new kind of blade—a big, brutal sword that can cut down anyone and anything in her path. But it's with this weapon in her hand that Missy learns something that could help her triumph over her own pain: control. A unique approach to the topic of self-mutilation, *Rage* is the story of a young woman who discovers her own power and refuses to be defeated by the world. *Rage* includes a teaser chapter of the next book in the *Riders of the Apocalypse* series, *Loss*.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

One of the best-selling young adult books of all time, written by Pulitzer Prize-winning author Paul Zindel, John Conlan is nicknamed "The Bathroom Bomber" after setting off firecrackers in the boys' bathroom 23 times without ever getting caught. John and his best friend, Lorraine, can never please their parents, and school is a chore. To pass the time, they play pranks on unsuspecting people and it's during one of these pranks that they meet the "Pigman." In spite of themselves, John and Lorraine soon get caught up in Mr. Pignati's zest for life. In fact, they become so involved that they begin to destroy the only corner of the world that has ever mattered to them. Can they stop before it's too late?
