This One Is Mine by Maria Semple | W&N - Ground-breaking ...

Maria Semple's last novel, the hilarious *Where'd You Go, Bernadette* was shortlisted for the Women's Prize for Fiction. This one is just as shocking, funny and delightful. Violet Parry has everything: a husband, a toddler and a luxurious Hollywood home. What she wants is Teddy, a bass player. Soon she's risking everything for the chance to find herself.

This One Is Mine by Maria Semple | Waterstones

I absolutely loved Maria Semple's previous novel 'Where Did You Go Bernadette?', which is a skilfully crafted portrait of a marriage on the brink. 'This One Is Mine' deals with similar issues of love and marriage, this time set in LA. Violet is married to David, and although they are very rich indeed, all is not well.

Violet Parry is living the quintessential life of luxury in the Hollywood Hills with David, her rock-and-roll manager husband, and her darling toddler, Dot. She has the perfect life--except that she's deeply unhappy. David expects the world of Violet but gives little of himself in return. When she meets Teddy, a roguish small-time bass player, Violet comes alive, and soon she's risking everything for the chance to find herself again. Also in the picture are David's hilariously high-strung sister, Sally, on the prowl for a successful husband, and Jeremy, the ESPN sportscaster savant who falls into her trap. For all their recklessness, Violet and Sally will discover that David and Jeremy have a few surprises of their own. **THIS ONE IS MINE** is a passionate and wickedly funny satire about our need for more--and the often disastrous choices we make in the name of happiness.

The sparkling debut novel of Maria Semple, author of the **WOMEN'S PRIZE FOR FICTION**-shortlisted **WHERE'D YOU GO, BERNADETTE**, including reading group notes. \* Instant New York Times Bestseller \* A brilliant novel from the author of *Where'd You Go, Bernadette*, about a day in the life of Eleanor Flood, forced to abandon her small ambitions and awake to a strange, new future. Eleanor knows she's a mess. But today, she will tackle the little things. She will shower and get dressed. She will have her poetry and yoga lessons after dropping off her son, Timby. She won't swear. She will initiate sex with her husband, Joe. But before she can put her modest plan into action--life happens. Today, it turns out, is the day Timby has decided to fake sick to weasel his way into his mother's company. It's also the day Joe has chosen to tell his office--but not Eleanor--that he's on vacation. Just when it seems like things can't go more awry, an encounter with a former colleague produces a graphic memoir whose dramatic tale threatens to reveal a buried family secret. **TODAY WILL BE DIFFERENT** is a hilarious, heart-filled story about reinvention, sisterhood, and how sometimes it takes facing up to our former selves to truly begin living.

Violet Parry is living the quintessential life of luxury in the Hollywood Hills with David, her rock-and-roll manager husband, and her darling toddler, Dot. She has the perfect life - but she's deeply unhappy. David expects the world of Violet but gives little of himself in return. When she meets Teddy, a roguish small-time bass player, Violet comes alive, and soon she's risking everything for the chance to find herself again. Also in the picture are David's hilariously high-strung sister, Sally, on the prowl for a successful husband, and Jeremy, the sportscaster savant who falls into her trap.

Falling in love with your ex should never feel this good ... Twelve years, three cities, and too many pairs of stilettos later, Shaelyn Lawrence is back in the one place she vowed never to return: New Orleans. Thankfully, her hometown stint is temporary: help her grandmother, avoid her high school sweetheart, Brady, like the plague, and everything should be perfect, right? Until one run-in with Brady changes everything. She shouldn't be tempted by his drawl or the promise of his kiss. But when a family member approaches Shaelyn for help, the only person she can turn to is the man who stole her heart . . . and is tempting her to take a second chance on him. Twelve years later, New Orleans Homicide Detective Brady Taylor is geared up for a promotion. Or, he would be -- if he wasn't sitting in third place. He's cut out every distraction to focus on his career. . . until Shaelyn shows up. He shouldn't want to pursue

her, kiss her, or sleep with her, right? Except that resisting Shaelyn has never been possible, and he vows that this time will be different. But when she asks him for help, suddenly he has to decide between his career . . . and the woman he's never stopped loving. For fans of Jill Shalvis and Lauren Layne, Maria Luis' new sexy contemporary romance will leave you laughing and desperate for more! SAY YOU'LL BE MINE is the first full-length novel in the NOLA Heart series, but can be read as a standalone.

An exploration of life at the margins of history from one of Russia ' s most exciting contemporary writers With the death of her aunt, the narrator is left to sift through an apartment full of faded photographs, old postcards, letters, diaries, and heaps of souvenirs: a withered repository of a century of life in Russia. Carefully reassembled with calm, steady hands, these shards tell the story of how a seemingly ordinary Jewish family somehow managed to survive the myriad persecutions and repressions of the last century. In dialogue with writers like Roland Barthes, W. G. Sebald, Susan Sontag, and Osip Mandelstam, *In Memory of Memory* is imbued with rare intellectual curiosity and a wonderfully soft-spoken, poetic voice. Dipping into various forms—essay, fiction, memoir, travelogue, and historical documents—Stepanova assembles a vast panorama of ideas and personalities and offers an entirely new and bold exploration of cultural and personal memory.

A revolutionary memoir about domestic abuse by the award-winning author of *Her Body and Other Parties* In *The Dream House* is Carmen Maria Machado ' s engrossing and wildly innovative account of a relationship gone bad, and a bold dissection of the mechanisms and cultural representations of psychological abuse. Tracing the full arc of a harrowing relationship with a charismatic but volatile woman, Machado struggles to make sense of how what happened to her shaped the person she was becoming. And it ' s that struggle that gives the book its original structure: each chapter is driven by its own narrative trope—the haunted house, erotica, the bildungsroman—through which Machado holds the events up to the light and examines them from different angles. She looks back at her religious adolescence, unpacks the stereotype of lesbian relationships as safe and utopian, and widens the view with essayistic explorations of the history and reality of abuse in queer relationships. Machado ' s dire narrative is leavened with her characteristic wit, playfulness, and openness to inquiry. She casts a critical eye over legal proceedings, fairy tales, *Star Trek*, and Disney villains, as well as iconic works of film and fiction. The result is a wrenching, riveting book that explodes our ideas about what a memoir can do and be.

Twelve shocking paintings. Eleven famous murders. One missing artist . . . and one woman driven to find her—this Reese's Book Club x Hello Sunshine Selection is a “ stunning achievement ” (Los Angeles Times). Kim Lord is an avant – garde figure, feminist icon, and agent provocateur in the L.A. art scene. Her groundbreaking new exhibition *Still Lives* is comprised of self – portraits depicting herself as famous, murdered women the Black Dahlia, Chandra Levy, Nicole Brown Simpson, among many others and the works are as compelling as they are disturbing, implicating a culture that is too accustomed to violence against women. As the city ' s richest art patrons pour into the Rocque Museum ' s opening night, all the staff, including editor Maggie Richter, hope the event will be enough to save the historic institution ' s flailing finances. Except Kim Lord never shows up to her own gala. Fear mounts as the hours and days drag on and Lord remains missing. Suspicion falls on the up – and – coming gallerist Greg Shaw Ferguson, who happens to be Maggie ' s ex. A rogue ' s gallery of eccentric art world figures could also have motive for the act, and as Maggie gets drawn into her own investigation of Lord ' s disappearance, she ' ll come to suspect all of those closest to her. Set against a culture that often fetishizes violence, *Still Lives* is a page – turning exodus into the art world ' s hall of mirrors, and one woman ' s journey into the belly of an industry flooded with money and secrets. “ It ' s a thrilling mystery that will leave you wondering which characters you can and can ' t trust . . . There ' s a twist at the end that still keeps us up at night, it's THAT good. ” —Reese Witherspoon (A Reese ' s Book Club x Hello Sunshine Selection)
