In Trouble on the St. Johns River, the Johnson kids Joey, Bobby and Katy are up to their adventurous ways again. But this time, instead of exploring history, they're making it! Joey and Bobby start their summer vacation by setting out for their favorite fishing pond, but end up leading a crusade to clean up the environment instead.Finding the pond covered with green muck and dead fish, the brothers decide to do something about it. That leads to a close encounter with a manatee, a visit to a center that rehabilitates injured sea turtles, and a boat tour on the St. Johns River. What they learn through these experiences inspires them to create The Greenies and chart a course of action that captures the attention of many, including a local TV station. By the end of the story, Joey, who thought there was nothing kids could do to make a difference, realizes that perhaps they are the very ones who can. Its a story of awakening that will inspire young readers to become more aware of their environment and give them some ideas on how to preserve it.

Deep in trouble, Deep in the canyons Fourteen-year-old Dylan Sands has come all the way from North Carolina to Big Bend National Park, on the Texas/Mexico border, to paddle the fabled Rio Grande. His partner in adventure is a local river rat, his cousin Rio. As the two are packing their boats for ten days in the canyons, six Black Hawk helicopters appear overhead and race across the river into Mexico. The army won't tell the boys what's happening, but they are given a weather advisory: A hurricane is approaching the Gulf of Mexico. Dylan and Rio have their hearts set on their trip and can't give it up. Rio believes that their chances of running into border troubles or a major storm are slim to none. By canoe and raft, Dylan and Rio venture into the most rugged and remote reaches of the U.S./Mexico border. You may well not see another human being during the duration of your trip, the guidebook tells them. They don't, until a man stumbles into camp with a seven-year-old boy. A storm is brewing as the man who calls himself Carlos begs for help . . . and the boy is trembling with fear.
