The two stories are in the pre-war tradition of fantastical literature, along the lines of THE STRANGE LIFE OF IVAN OSOKIN, by P. D. Ouspensky, and THE MASTER OF THE DAY OF JUDGMENT, by Leo Perutz. To be honest, I read the book about 10 years ago, so I can only write in general terms.

Strange Worlds #2. The king of Atlantis is convinced that life still exists on the surface and leads an invasion fleet to make war on the world above. He finds that in the centuries since Atlantis sunk the pressures of the sea have made his people tiny as insects compared to surface humans, and they must return beneath the waves.

~~Strange Tales Annual Vol 1-2 — Marvel Comics Database~~

This is our first "annual". Mostly we're reading monthly or bi-monthly comics. But ongoing series occasionally fit in one special issue per year they call an "annual". This is Strange Tales annual 2, so it's obviously not the first, but it's the first since Strange Tales became a regular superhero feature. The first Fantastic Four annual will also be debuting shortly.

Strange Tales is a Marvel Comics anthology series. The title was revived in different forms on multiple occasions. Doctor Strange and Nick Fury, Agent of S.H.I.E.L.D. made their debut in Strange Tales. It was a showcase for the science fiction/suspense stories of artists Jack Kirby and Steve Ditko, and for the groundbreaking work of writer-artist Jim Steranko. Two previous, unrelated magazines also bore that title.

~~Strange Tales — Wikipedia~~

Collects Strange Tales #101-117 and Annual #2. After the debut of a quiet little magazine called FANTASTIC FOUR and a relatively unknown teen hero named Spider-Man, Mighty Marvel decided to go out on a limb and put these two risky ideas together into a featuring starring - the Human Torch!

"No event in our world is real, my friend. Everything that occurs in this universe is illusory... And in a world of appearances, in which no thing and no event has any permanence, any reality of its own—whoever is master of certain forces can do anything he wishes..." So speaks a character in Two Strange Tales, a pair of novellas in which Westerners are caught up in the uncanny realm of Eastern religion and magic. In "Nights at Serampore," three European scholars, traveling deep into the forests of Bengal, are inexplicably cast into another time and space where they witness the violent murder of a young Hindu wife. In "The Secret of Dr. Honingberger," a respectable Rumanian physician vanishes without a trace after experimenting with yogic techniques in his quest for the legendary invisible world called Shambhala. In Two Strange Tales, author Mircea Eliade combined yogic folklore with the literary genre of the supernatural suspense tale so as to reveal dimensions of experience that are inaccessible to other intellectual approaches. These well-crafted stories will appeal to both lovers of the supernatural and those fascinated by mysticism of the East.

In the short story Deadly Investment, real estate rarely encounters a deathly listing. However, in the loosely connected world of one agent; one realty property becomes a dwelling of ghastly horrors. As a mediocre home, is temporarily rented to lure prospected buyers into signing more than the owner's agreement. In A Scorned Woman's Fury, one stunningly beautiful young woman realizes that good looks and charm are not all it is cracked up to be, as she becomes aware early in life that beauty is only skin deep. So just like anybody else, she discovers life is a cruel and unforgiving jungle meant only for those who are willing to take anything and everything at any cost. And in the end, even beauty can cause create great consternation on behalf of a repulsive interior.

Wolverine is the best there is at what he does - fighting in mutant-mixed-martial-arts tournaments, handing out relationship advice and eating hot dogs! Spider-Man issues the ultimate challenge to one of his deadliest enemies - an invitation to the prom! The Mighty Thor forges a powerful new alliance - with a cleverly disguised farm animal! Fear not, Friends of Old Marvel - you haven't fallen prey to the illusions of Loki. You've simply discovered Strange Tales III! A band of the best and brightest talents in independent, alternative and online comics joins forces with the Earth's Mightiest Heroes for a sequel to the acclaimed Strange Tales anthology, one that critics are calling "better than any of the previous run" (Douglas Wolk, Time.com's Techland). Hilarious, haunting and horrifying (sometimes all at once), it's Marvel gone strange!

Mark Pilkington charts some of the more curious byways, scenic detours, and inspired failures of scientists, inventors, and, yes, crackpots, over the past few hundred years. From the Aquatic Ape Hypothesis to zero-point energy, via the Hieronymous Machine and Phlogiston, Far Out tells the stories that are all too often ignored, lost, or simply forgotten by conventional science books. Some of them are perhaps best left languishing in the margins of history, but others may yet change our future. Entries cover physics, chemistry, biology, archaeology, parapsychology, psychology, and other areas yet to be inducted into mainstream science, including radionics, keranography, erotoxin, and remote viewing. Written in a succinct and engaging style, each piece provides a useful, self-contained introduction to its topic, and provides enough information to allow readers to discover more if they so desire. Far Out is the latest in the unique CD-sized book format from Disinformation, following the best-selling 50 Things You're Not Supposed To Know series by Russ Kick. Once again, the book is printed in two colors, with the entries arranged into sections, many with appropriate illustrations, diagrams, or photographs.

It's Dr. Strange as you've never seen him before: as an eye-patch-wearing wielder of black magic! See him take on the deadliest foes in any dimension: Khat, Erlik Khan, Shuma-Gorath, Enitharmon the Weaver and more! Guest-starring the Defenders, Valkyrie, Cloak and Dagger, and some of Strange's closest friends - including Rintrah, Topaz, Clea and Wong! Collecting the Dr. Strange stories from STRANGE TALES (1987) #1-19 and the Cloak & Dagger story from #7.

~~It's Dr. Strange as you've never seen him before: as an eye-patch-wielder of black magic!~~

Marvel is proud to present this hotly-anticipated anthology showcasing its greatest characters re-imagined by the best, most exciting cartoonists working in independent comics today. Featuring the long-awaited Peter Bagge "Incorrigible Hulk." COLLECTING: Strange Tales #1-3, The Megalomaniacal Spider-Man, All Select Comics 70th Anniversary Special

This book continues with John Henderson, in Pet II, who seeks revenge. Going on a journey, with a group of friends, turns into chaos. Can one dream turn to murder for Jimmy Falcon? This book contains tales of monsters, ghosts, and murders for you to enjoy.

Tais Yoshitoshi (1839-1892) was fascinated by the supernatural, and some of his best work concerns ghosts, monsters, and charming animal transmutations. Yoshitoshi s strange tales presents two series (with full page illustrations) that focus on his depictions of the weird and magical world of the transformed. The first series is One Hundred Tales of Japan and China (Wakan hyaku monogatari, 1865) and it is based on a game in which people told short scary ghost tales in a darkened room, extinguishing a candle as each tale ended. New Forms of Thirty-six Strange Things (Shinken sanj rokkaisen) of 1889-92 illustrates stories from Japan s rich heritage of legends in more serene and objective ways."

Strange Tales of Scotland all deal with a particular aspect of Scottish mysteries. You'll learn of the ghost that appeared at the wedding of King Alexander II, and of monsters such as the Shellycoat and Water-horse that were thought to inhabit Scotland's lochs. Another part deals exclusively with Loch Ness, and the strange happenings at that mysterious body of water. Later, we have a look at the odd deaths at the Flannan Islands Lighthouse, and at the strange creatures that were once believed to infest the hills and glens of Scotland, including the terrifying brochlanch and the slaugh. Tales of Mermaids and Fin-men are unearthed, as are terrible stories of Scotland's caves, including human sacrifice at Moray's Sculptor's Cave. The legends of Roslin Chapel and its nearby castle are examined, with the possible connection to the Knights Templar. Finally, we have a look at the legend of the phantom armies of Scotland; soldiers who refuse to fade away even centuries after their wars have been fought, and their causes faded in history. Welcome to the Strange Tales of Scotland.
