Which Edition of Ulysses Should You Read?: James Joyce's Ulysses for Beginners #4 ~~Ulysses By James Joyce Goodreads~~ Ulysses. by. James Joyce, Morris L. Ernst (Foreword), John M. Woolsey (Foreword) 3.73 · Rating details · 111,169 ratings · 6,794 reviews. Loosely based on the Odyssey, this landmark of modern literature follows ordinary Dubliners in 1904. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes.

Ulysses is a modernist novel by Irish writer James Joyce. It was first serialized in parts in the American journal The Little Review from March 1918 to December 1920 and then published in its entirety in Paris by Sylvia Beach on 2 February 1922, Joyce's 40th birthday. It is considered one of the most important works of modernist literature and has been called "a demonstration and summation of the entire movement."

JOYCE, James. Rare books by James Joyce including first edition, signed first edition, and finely bound copies of Ulysses and Finnegans Wake. James Joyce (1882–1941) was a leading figure in literary modernism and the author of the revolutionary novels Ulysses and Finnegans Wake. Though Joyce also published a number of pamphlets and small poetry collections during his lifetime, he is known best for the four fictional masterpieces discussed below:

Recipient of the 2015 PEN New England Award for Nonfiction

—The arrival of a significant young nonfiction writer . . . A measured yet bravura performance.— Dwight Garner, The New York Times
James Joyce's big blue book, Ulysses, ushered in the modernist era and changed the novel for all time. But the genius of Ulysses was also its danger: it omitted absolutely nothing. Joyce, along with some of the most important publishers and writers of his era, had to fight for years to win the freedom to publish it. The Most

Dangerous Book tells the remarkable story surrounding Ulysses, from the first stirrings of Joyce's inspiration in 1904 to the book's landmark federal obscenity trial in 1933. Written for ardent Joyceans as well as novices who want to get to the heart of the greatest novel of the twentieth century, *The Most Dangerous Book* is a gripping examination of how the world came to say Yes to Ulysses.

James Joyce's *Ulysses* is probably the most famous-or notorious-novel published in the twentieth century. Its length and difficulty mean that readers often turn to critical studies to help them in getting the most out of it. But the vast quantity of secondary literature on the book poses problems for readers, who often don't know where to begin. This casebook includes some of the most influential critics to have written on Joyce, such as Hugh Kenner and Fritz Senn, as well as newer voices who have made a considerable impact in recent years. A wide range of critical schools is represented, from textual analysis to historical and psychoanalytic approaches, from feminism to post-colonialism. One essay considers the relation between art and life, nature and culture, in *Ulysses*, while another explores the implications of the impassioned debates about the proper editing of Joyce's great work. In an iconoclastic discussion of the book, Leo Bersani finds reasons for giving up reading Joyce. All the contributions are characterized by scrupulous attention to Joyce's words and a sense of the powerful challenge his work offers to our ways of thinking about ourselves, our world, and our language. Also included are records of some of the conversations Joyce had with his friend Frank Budgen during the composition of *Ulysses* in Zurich, and in an appendix readers will find a version of the schema which Joyce drew up as a guide to his book. Derek Attridge provides an introduction that offers advice on reading *Ulysses* for the first time, an account of the remarkable

story of its composition, and an outline of the history of the critical reception that has played such an important part in our understanding and enjoyment of this extraordinary work.

Examines James Joyce's "Ulysses" and the shifting point of view of its fictional narrator

Discusses Ulysses arguing that through the operation of memory, it mimics the working of the human mind and achieves its status as one of the most intellectual achievements of the 20th century.

In proposing that places, movements, and directions are deeply implicated in the narrative structure of Ulysses, Michael Seidel contends that Joyce recreates in Dublin the significant epic geography of the Odyssey. The author demonstrates how Joyce adjusts the spaces of Ulysses to accommodate the three theaters of Homeric action as mapped by Victor Berard's *Lex Pheniciens et l'Odyssee*. Originally published in 1976. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Explores the lessons that modern readers can draw from Joyce's classic work, revealing how "Ulysses" presents a vision of a more tolerant and decent society in which the seemingly banal hero, Leopold Bloom, represents ordinary wisdom that can offer a model for living.

Ulysses is one of the foundational texts of modern literature, yet has a reputation for complexity and controversy. In *Ulysses Unbound*, Joyce expert Terence Killeen untangles this seemingly knotty classic to reveal the wonders beneath, in a clear and comprehensive guide which will provide new and vital insights for everyone from students to specialists. In this new edition, published to celebrate the centenary of *Ulysses*' first publication in 1922, Killeen seamlessly combines close literary analysis with a broad account of the novel's fascinating history, from its writing and publication to its long contemporary afterlife. We get under the skin of the text to discover the joys of Joyce's remarkable range of themes, styles and voices, as Killeen reanimates the real people who inspired many of the characters. *Ulysses Unbound* is an indispensable, illuminating and entertaining companion to one of the twentieth century's great works of art. With a foreword by Colm Tóibín

Scholars of James Joyce offer critical analysis of his work *Ulysses*. Five essays interpret the character of the novel; four deal with the literary style of presentation, the last focuses on the problems of translation. Contributors: Robert R. Boyle, S.J.; David Hayman; Richard M. Kain; Darcy O'Brien; Weldon Thornton; Erwin R. Steinberg; William M. Schutte; Fritz Senn; H. Frew Waidner; and the editors.
