Undefeated: Jim Thorpe and the Carlisle Indian School ...
The name of this astounding biography is "Undefeated: Jim Thorpe and the Carlisle Indian School Football Team." Born in Oklahoma May 22, 1887, Jim Thorpe's parents were each half white and half Native American. At that time, Oklahoma still bore the name of Indian Territory. This changes in 1893 with the Oklahoma Land Rush.

Jim Thorpe — The Undefeated
Three-time National Book Award finalist Steve Sheinkin's Undefeated charts the rise of Jim Thorpe, Olympic gold medalist in the decathlon and All-American fullback for the Carlisle Indians, one of the most innovative football teams ever to take the field. Despite its focus, readers need not be sports fans to enjoy this book. As a Native American man born in 1888, racism was a constant in Thorpe's life, but it's because of this daily prejudice that Thorpe first set foot on a football field.

A great American sport and Native American history come together in this true story for middle grade readers about how Jim Thorpe and Pop Warner created the legendary Carlisle Indians football team, from New York Times bestselling author and Newbery Award recipient Steve Sheinkin. "Sheinkin has made a career of finding extraordinary stories in American history." —The New York Times Book Review A Boston Globe-Horn Book Nonfiction Honor Book A New York Times Notable Children's Book A Washington Post Best Book Undefeated: Jim Thorpe and the Carlisle Indian School Football Team is an astonishing underdog sports story—and more. It's an unflinching look at the U.S. government's violent persecution of Native Americans and the school that was designed to erase Indian cultures. Expertly told by three-time National Book Award finalist Steve Sheinkin, it's the story of a group of young men who came together at that school, the overwhelming obstacles they faced both on and off the field, and their absolute refusal to accept defeat. Jim Thorpe: Super athlete, Olympic gold medalist, Native American Pop Warner: Indomitable coach, football mastermind, Ivy League grad Before these men became legends, they met in 1907 at the Carlisle Indian Industrial School in Pennsylvania, where they forged one of the winningest teams in American football history. Called "the team that invented football," they took on the best opponents of their day, defeating much more privileged schools such as Harvard and the Army in a series of breathtakingly close calls, genius plays, and bone-crushing hard work. This thoroughly-researched and documented book can be worked into multiple aspects of the common core curriculum. "Along with Thorpe's fascinating personal story, Sheinkin offers a thought-provoking narrative about the evolution of football and the development of boarding schools such as the Carlisle Indian School." —The Washington Post Also by Steve Sheinkin: Bomb: The Race to Build—and Steal—the World's Most Dangerous Weapon The Notorious Benedict Arnold: A True Story of Adventure, Heroism & Treachery Most Dangerous: Daniel Ellsberg and the Secret History of the Vietnam War The Port Chicago 50: Disaster, Mutiny, and the Fight for Civil Rights Which Way to the Wild West?: Everything Your Schoolbooks Didn't Tell You About Westward Expansion King George: What Was His Problem?: Everything Your Schoolbooks Didn't Tell You About the American Revolution Two Miserable Presidents: Everything Your Schoolbooks Didn't Tell You About the Civil War Born to Fly: The First Women's Air Race Across America

"A great American sport and Native American history come together in this true story of how Jim Thorpe and Pop Warner created the legendary Carlisle Indians football team"--

Series statement from publisher's website.

In December of 1938, a chemist in a German laboratory made a shocking discovery: When placed next to radioactive material, a Uranium atom split in two. That simple discovery launched a scientific race that spanned 3 continents. In Great Britain and the United States, Soviet spies worked their way into the scientific community; in Norway, a commando force slipped behind enemy lines to attack German heavy-water manufacturing; and deep in the desert, one brilliant group of scientists was hidden away at a remote site at Los Alamos. This is the story of the plotting, the risk-taking, the deceit, and genius that created the world's most formidable weapon. This is the story of the atomic bomb. Bomb is a 2012 National Book Awards finalist for Young People's Literature. Bomb is a 2012 Washington Post Best Kids Books of the Year title. Bomb is a 2013 Newbery Honor book.

Mauch Chunk, now Jim Thorpe, was established on the Lehigh River as a shipping depot for anthracite coal in 1818 by Josiah White, a Philadelphia Quaker and brilliant engineer, and his trusted business partner, Erskine Hazard. By 1829, White and Hazard had founded the Lehigh Coal & Navigation Company and built an efficient transportation system that moved coal nine miles over the mountains to Mauch Chunk by Switchback Gravity Railroad, and forty-six miles along the Lehigh Canal to Easton. With the arrival of the railroads, the Switchback became a major tourist attraction. As rail excursionists descended on Mauch Chunk to experience a hair-raising ride on America's first roller coaster and enjoy the magnificent scenery, the coal shipping town, billed by the railroads as "the Switzerland of America," became a tourist destination second in popularity to Niagara Falls. In a story stranger than fiction, the town exchanged its name for the name of Jim Thorpe when the 1912 Olympic hero was laid to rest there in 1954. Through an extraordinary collection of photographs, Jim Thorpe (Mauch Chunk) tells the story of the athlete and his burial, the Switchback Gravity Railroad, the Lehigh Canal, the social scene, and the town's Victorian legacy.

A true crime thriller -- the first book for teens to tell the nearly unknown tale of the brazen attempt to steal Abraham Lincoln's body! The action begins in October of 1875, as Secret Service agents raid the Fulton, Illinois, workshop of master counterfeiter Ben Boyd. Soon after Boyd is hauled off to prison, members of his counterfeiting ring gather in the back room of a smoky Chicago saloon to discuss how to spring their ringleader. Their plan: grab Lincoln's body from its Springfield tomb, stash it in the sand dunes near Lake Michigan, and demand, as a ransom, the release of Ben Boyd --and $200,000 in cash. From here, the action alternates between the conspirators, the Secret Service agents on their trail, and the undercover agent moving back and forth between the two groups. Along the way readers get glimpses into the inner workings of counterfeiting, grave robbing, detective work, and the early days of the Secret Service. The plot moves toward a wild climax as robbers and lawmen converge at Lincoln's tomb on election night: November 7, 1876.

Most biographies of Jim Thorpe (1888–1953) emphasize his Olympic glory and his remarkable abilities in track and football. Thorpe's 1912 gold medals in the decathalon and pentathalon and his talent on the gridiron rank him high among outstanding athletes of the twentieth century. That Thorpe also played brilliantly on the baseball diamond is an often overlooked facet of his career. This narrative of Thorpe's rise and fall in American sports pays particular attention to his time in the major and minor leagues, including his stormy relationship with New York Giants manager John McGraw and baseball's role in stripping Thorpe of his Olympic medals. By chronicling Thorpe's involvement in baseball, football and track concurrently, this profile offers a complete portrait of one of the most versatile athletes in sports history.

The first comprehensive biography of the legendary figure who defined excellence in American sports: Jim Thorpe, arguably the greatest all-around athlete the United States has ever seen. With clarity and a fine eye for detail, Kate Buford traces the pivotal moments of Thorpe's incomparable career: growing up in the tumultuous Indian Territory of Oklahoma; leading the Carlisle Indian Industrial School football team, coached by the renowned "Pop" Warner, to victories against the country's finest college teams; winning gold medals in the 1912 Olympics pentathlon and decathlon; defining the burgeoning sport of professional football and helping to create what would become the National Football League; and playing long, often successful—and previously unexamined—years in professional baseball. But, at the same time, Buford vividly depicts the difficulties Thorpe faced as a Native American—and a Native American celebrity at that—early in the twentieth century. We also see the infamous loss of his Olympic medals, stripped from him because he had previously played professional baseball, an event that would haunt Thorpe for the rest of his life. We see his struggles with alcoholism and personal misfortune, losing his first child and moving from one failed marriage to the next, coming to distrust many of the hands extended to him. Finally, we learn the details of his vigorous advocacy for Native American rights while he chased a Hollywood career, and the truth behind the supposed reinstatement of his Olympic record in 1982. Here is the story—long overdue and brilliantly told—of a complex, iconoclastic, profoundly talented man whose life encompassed both tragic limitations and truly extraordinary achievements.

A biography of Jim Thorpe, one of the greatest all-around athletes in history.

A stunning work of narrative nonfiction, Carlisle vs. Army recounts the fateful 1912 gridiron clash that pitted one of America's finest athletes, Jim Thorpe, against the man who would become one of the nation's greatest heroes, Dwight D. Eisenhower. But beyond telling the tale of this momentous event, Lars Anderson also reveals the broader social and historical context of the match, lending it his unique perspectives on sports and culture at the dawn of the twentieth century. This story begins with the infamous massacre of the Sioux at Wounded Knee, in 1890, then moves to rural Pennsylvania and the Carlisle Indian School, an institution designed to "elevate" Indians by uprooting their youths and immersing them in the white man's ways. Foremost among those ways was the burgeoning sport of football. In 1903 came the man who would mold the Carlisle Indians into a juggernaut: Glenn "Pop" Warner, the son of a former Union Army captain. Guided by Warner, a tireless innovator and skilled manager, the Carlisle eleven barnstormed the country, using superior team speed, disciplined play, and tactical mastery to humiliate such traditional powerhouses as Harvard, Yale, Michigan, and Wisconsin–and to, along the way, lay waste American prejudices against Indians. When a troubled young Sac and Fox Indian from Oklahoma named Jim Thorpe arrived at Carlisle, Warner sensed that he was in the presence of greatness. While still in his teens, Thorpe dazzled his opponents and gained fans across the nation. In 1912 the coach and the Carlisle team could feel the national championship within their grasp. Among the obstacles in Carlisle's path to dominance were the Cadets of Army, led by a hardnosed Kansan back named Dwight Eisenhower. In Thorpe, Eisenhower saw a legitimate target; knocking the Carlisle great out of the game would bring glory both to the Cadets and to Eisenhower. The symbolism of this matchup was lost on neither Carlisle's footballers nor on Indians across the country who followed their exploits. Less than a quarter century after Wounded Knee, the Indians would confront, on the playing field, an emblem of the very institution that had slaughtered their ancestors on the field of battle and, in defeating them, possibly regain a measure of lost honor. Filled with colorful period detail and fascinating insights into American history and popular culture, Carlisle vs. Army gives a thrilling, authoritative account of the events of an epic afternoon whose reverberations would be felt for generations. "Carlisle vs. Army is about football the way that The Natural is about baseball." –Jeremy Schaap, author of I
