Title / Author Type Language Date / Edition Publication; 1. Understanding and using English grammar. Workbook, volume B: 1.

The Workbook consists solely of self-study exercises, with answers included, providing students the opportunity to explore and practice grammar independently. It is keyed to explanatory grammar charts in both the Student Book and the Chartbook. Understanding and Using English Grammar is a classic developmental skills text for intermediate to advanced English language learners.

The classic text for intermediate through advanced students provides a clear, visual presentation of grammar in terms easily understandable to students. Grammar explanations teach situationally appropriate English, both formal and colloquial and make distinctions between British and American usage. Each presentation is followed by graded activities that promote speaking, listening, and writing

skills.--Publisher information.

Clear, direct and comprehensive, the Azar-Hagen Grammar series uses a grammar-based teaching approach, blending grammar methodology with communicative methods. Grammar is used as the starting point for the development of all language skills: speaking, listening, reading, and writing.
