AKHKHARU - Vampyre Magick is a complete grimoire of Vampyrick Magick - from beginner to Advanced. The Vampyre Magickian explores foundational techniques, practice and the mindset needed to transform consciousness into a Godlike state. The grimoire presents actual Ancient Sumerian and Chaldean Sorcery lore and Magick - Vampyrism and demonology. A chapter on the Daemonic Feminine and powerful devotionals - including the Daemonic Feminine version of the Azal'ucel working, Akhkharu also features the rituals of the Gates of the Qlippoth and their sigils - presented here for the first time. A section on the VAMPYRE TAROT, Vampyre Dictionary and the final chapter deals with the possibility of surviving consciousness after physical death. Akhkharu is a MUST for those interested in serious left hand path magick and Luciferianism.

- Explains how a Vampyre is not a blood-sucking mythical figure but a shaman who is skilled in gathering, using, and storing energy for magical power and personal liberation
- Reveals how to gather and store energy from the world around you and shares magical techniques, manifestation methods, and practices to utilize the energy you have collected
- Looks at servitors and familiars, vampyric runes, dream architecture, money magick practices, and sex magick techniques as well as advanced practices such as healing with vampyric magick
- In this initiatory guide, Don Webb explains how to learn from the myth of the vampire to gather, use, and store energy for magical power, manifestation, and personal liberation. A Master of the Order of the Vampyre within the Temple of Set, the author shares a 9-month process to awaken and initiate you as a Vampyre and allow you to actualize your hidden potential. Webb begins by explaining how to gather energy from the world around you and store it in the body, in artifacts and talismans, and in groups of people, such as a coven. Through the 9 stages of initiation, the author offers guided magical techniques, manifestation methods, and experiments to utilize the energy you have learned to gather and store. He also examines familiars, Vampyric runes, money magick practices, and sex magic techniques. Sharing more advanced practices, Webb looks at the creation and destruction of egregores and how to fight off psychic vampires—those who steal your power and energies. Achieve greater self-knowledge, a deeper connection with the energies that surround you, and the power to manifest your deepest desires by walking the path of the Vampyre.

The Psychic Vampire Codex is the first book to examine the phenomenon and experience of modern vampirism completely from the vampire's perspective. Father Sebastiaan, a fellow vampire writes in the foreword that Michelle Belanger's system "introduced a breath of fresh air into the vampire subculture. It freed us to look at ourselves in a new light, and it also helped those outside our community to view us differently. No longer were we parasites or predators . . . we could use our inborn abilities to help people heal." Psychic vampires are people who prey on the vital, human life energies of others. They are not believed to be undead. They are mortal people whose need for energy metaphorically connects them to the life-stealing predators of vampire myth. In The Psychic Vampire Codex, Michelle Belanger, author and psychic vampire, introduces readers to the fascinating system of energy work used by vampires themselves and provides the actual codex text widely used by the vampire community for instruction in feeding and other techniques. Belanger also examines the ethics of vampirism and offers readers methods of protection from vampires. The Psychic Vampire Codex explodes all preconceptions and myths about who and what psychic vampires really are and reveals a vital and profound spiritual tradition based on balance, rebirth, and an integral relationship with the spirit world.

This grimoire from the baddest witch around will teach potential slayers and aspiring wiccans everything they'll ever need to know about magic in Buffy the Vampire Slayer. Every good witch has a grimoire, and Willow Rosenberg is no exception. The Official Grimoire is the first and only truly comprehensive collection of every magical moment from all seven seasons of Buffy the Vampire Slayer, humorously narrated by beloved resident witch Willow Rosenberg. Completely illustrated and annotated by the rest of the gang, this book of spells is a unique keepsake for fans of the Buffy-verse and an incredible celebration of the show's twenty-year legacy.

SEKHEM APEP is both a recent modern study and magical grimoire exploring 20 years of the darker traditions of Typhonian and Vampyrick Magick of the Black Order of the Dragon. Destined to be one of the most controversial magical books of recent years, SEKHEM APEP unveils the theory and practice of vampyrism and the dark current of Typhonian Thelema from a Luciferian perspective. Presenting the foundation and beginning structure of the BOTD in the early 1990's, including the original manifesto, published for the first time since 1994, techniques and the mental technology of astral vampyrism is clearly presented including the Sigils of the Vampyre Cultus and their meaning. Techniques of feeding and accumulating Astral Energy from the physical body, astral projection and transforming life force according to the goal and desire of the Vampyre Adept. SEKHEM APEP is a gateway to those interested in the darker path of predatory spirituality.

Tales of mysterious blood drinkers & life-stealing phantoms have fascinated & terrified people from all over the world for centuries. What is the truth behind the legends of the undead? For the first time ever, here is convincing evidence that vampires really exist- & that the actual truth about vampires is stranger than anything you may have read, heard or dreamed about! Vampires: The Occult Truth contains first-hand accounts of encounters with vampires & vampirism of all types-the ancient undead of folklore, contemporary mortal blood drinkers who believe themselves to be vampires, & the most dangerous of all: psychic vampires who intentionally drain the life force from their victims. Vampires is the first book to consider vampires from an occultists point of view, & to present solid esoteric theories to explain their existence. Youll read case histories of real modern & historical contacts with vampires & victims of vampirism-including those personally encountered by the author himself- & youll learn a simple yet powerful technique that will protect you from attacks by psych.

What is a grimoire? The word has a familiar ring to many people, particularly as a consequence of such popular television dramas as Buffy the Vampire Slayer and Charmed. But few people are sure exactly what it means. Put simply, grimoires are books of spells that were first recorded in the Ancient Middle East and which have developed and spread across much of the Western Hemisphere and beyond over the ensuing millennia. At their most benign, they contain charms and remedies for natural and supernatural ailments and advice on contacting spirits to help find treasures and protect from evil. But at their most sinister they provide instructions on how to manipulate people for corrupt purposes and, worst of all, to call up and make a pact with the Devil. Both types have proven remarkably resilient and adaptable and retain much of their relevance and fascination to this day. But the grimoire represents much more than just magic. To understand the history of grimoires is to understand the spread of Christianity, the development of early science, the cultural influence of the print revolution, the growth of literacy, the impact of colonialism, and the expansion of western cultures across the oceans. As this book richly demonstrates, the history of grimoires illuminates many of the most important developments in European history over the last two thousand years.

This companion to "Nocturnal Witchcraft" contains exclusive material taken from the author's own "Book of Shadows." Includes nocturnal rituals for the sabbats and the Dark and Full Moons.

Book one of the New York Times-bestselling All Souls trilogy—"a wonderfully imaginative grown-up fantasy with all the magic of Harry Potter and Twilight" (People). Look for the hit TV series "A Discovery of Witches," streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! Deborah Harkness's sparkling debut, A Discovery of Witches, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, Shadow of Night, and concludes with The Book of Life.
