At thirty-five, Mary Frazier Armstrong, called "Frazier" by friends and enemies alike, is a sophisticated woman with a thriving art gallery, a healthy bank balance, and an enviable social position. In fact, she has everything to live for, but she's lying in a hospital bed with a morphine drip in her arm and a life expectancy measured in hours. "Don't die a stranger," her assistant says on her last hospital visit. "Tell the people you love who you are." And so, as her last act on earth, Frazier writes letters to her closest family and friends, telling them exactly what she thinks of them and, since she will be dead by the time they receive the letters, the truth about herself: she's gay. The letters are sent. Then the manure hits the fan in Charlottesville, Virginia, because the funny thing is, Frazier Armstrong isn't going to die after all.

A misdiagnosis of cancer leads successful art dealer Mary Frazier Armstrong to send letters to her loved ones in which she comes out of the closet--letters she wants to retrieve when she finds that the diagnosis was a mistake

Now Rita Mae Brown, author of the bestselling classic Rubyfruit Jungle, returns with her most wonderfully irreverent and thoroughly entertaining novel yet. What happens when a wildly successful Southern belle inadvertently tells the truth about her life to her family, her friends, her lover, and herself? At thirty-five, Mary Frazier Armstrong, called "Frazier" by friends and enemies alike, is a sophisticated green-eyed blonde with a thriving art gallery, a healthy bank alance, and an enviable social position. In fact, she has everything to live for, but she's lying in a hospital bed with a morphine drip in her arm and a life expectancy measured in hours. "Don't die a stranger" Mandy Eisenhart, her assistant at the gallery, says on her last hospital visit. "Tell the people you love who you are, or write them." And so, as her last act here on earth, Frazier writes letters to her closest family and friends, telling them exactly what she thinks of them and, since she will be dead by the time they receive the letters, the truth about herself: She's gay. The letters are sent. Then the manure hits the fan in Charlottesville, Virginia ... because Frazier Armstrong wakes up the next morning to hear her doctor explaining that it's all been a mistake. Frazier can look forward to a long, happy life. But if this formerly dutiful daughter isn't dying, she certainly seems to be facing a descent into hell: Her mother, Libby, committee woman extraordinaire, is throwing a hissy fit; her best friend, the gay hunk Billy Cicero, is cutting her dead; her former lover, Ann, is having hysterics now that "everyone is going to know"; and her gorgeous, charming brother Carter whose two favorite activities are getting drunk and getting laid, is gleefully spreading the word that his can-do-no-wrong sister is a dyke. Yet Frazier soon realizes she's spent her whole life steeling herself against people, and hiding - and not just because she is gay. After three decades of having "a near-life experience," she is determined to make a new beginning - as a brash, brazen, and totally irresistible woman who will raise the act of coming out of the closet into an art form. Rita Mae Brown once told an interviewer "Next time anyone calls me a lesbian writer I'm going to knock their teeth in. I'm a writer and I'm a woman and I'm from the South and I'm alive, and that is that." Frazier Armstrong couldn't have put it better."--Publisher's description.

Outrageous, irrepressible and endlessly entertaining, the bestselling author of Rubyfruit Jungle and Bingo spins a behind-the-scenes tale of women's professional tennis that dramtically intertwines the heart-stopping excitement of competition and the lingering heartache of intimate human bonds. Carmen Semanan loves three things passionalty: tennis, money and professor Harriet Rawls. Just twenty-four, Carmen is at her peak as one of the world's top-seeded tennis champions, determined to win the coveted Grand Slam. She is protected from everything but the grueling demands of her sport by an avericious agent and her devoted gusty Harriet. All the odds are in her favor. But there are weeds growing in her paradise patch. Carmen's vey latin brother, Miguel, parlays her succes into a financial house of cards with deals that include smuggling, forgery, and fraud. Susan Reilly, Carmen's archrival and former lover, leaks word of Carms's relationship with Harriet to the press--and tennis's best-kept secret is blown into a front-page scandal. From the French Open to Wimbledon, jealousies, ambitions and passions are set to explode. Now, with everything she cherishes on the line, Carmen must test the true depths of her feelings-both on and off the court.

The murder of Sam Lorillard and a seemingly unrelated local scandal at a neighboring hunt club cause "Sister" Jane Arnold and her huntsman, Shaker Grown, to fear for their own safety.

Crozet, Virginia, postmistress and town gossip Mary Minor "Harry" Haristeen gets help from her nosy tiger cat, Mrs. Murphy, in solving the strange case of a murdered Hell's Angel and a rampant computer virus

Mary Minor Haristeen, postmistress of Crozet, Virginia, joins forces with her willful cat, Mrs. Murphy, and her Welsh corgi, Tucker, to investigate a series of bizarre postcards sent to the town's inhabitants that forecast impending death

Written immediately after her classic Rubyfruit Jungle, In Her Day takes a loving swipe at the charged political atmosphere of Greenwich Village in the early seventies. Full of infectious merriment and serious underpinnings.

When her new husband joins the hastily organized Confederate Army, Geneva changes her name to Jimmy, dons a uniform, and enlists to be with her beloved.

When rumors of turmoil at Crozet Hospital are followed by the mysterious death of the hospital's plant manager, postmistress "Harry" Haristeen and her cat, Mrs. Murphy, take on a dangerous investigation.
