Smalley, Donald, 'Anthony Trollope', Victorian Fiction: A Guide to Research, ed. Lionel Stevenson. Cambridge, Massachusetts: Harvard University Press, 1964.

This text is an introduction to the full range of standard reference tools in all branches of English studies. More than 10,000 titles are included. The Reference Guide covers all the areas traditionally defined as English studies and all the field of inquiry more recently associated with English studies. British and Irish, American and world literatures written in English are included. Other fields covered are folklore, film, literary theory, general and comparative literature, language and linguistics, rhetoric and composition, bibliography and textual criticism and women's studies.

First published in 1988, this encyclopedia serves as an overview and point of entry to the complex interdisciplinary field of Victorian studies. The signed articles, which cover persons, events, institutions, topics, groups and artefacts in Great Britain between 1837 and 1901, have been written by authorities in the field and contain bibliographies to provide guidelines for further research. The work is intended for undergraduates and the general reader, and also as a
