“The newbie investor will not find a better guide to personal finance.” –Burton Malkiel, author of A RANDOM WALK DOWN WALL STREET TV analysts and money managers would have you believe your finances are enormously complicated, and if you don’t follow their guidance, you’ll end up in the poorhouse. They’re wrong. When University of Chicago professor Harold Pollack interviewed Helaine Olen, an award-winning financial journalist and the author of the bestselling Pound Foolish, he made an offhand suggestion: everything you need to know about managing your money could fit on an index card. To prove his point, he grabbed a 4" x 6" card, scribbled down a list of rules, and posted a picture of the card online. The post went viral. Now, Pollack teams up with Olen to explain why the ten simple rules of the index card outperform more complicated financial strategies. Inside is an easy-to-follow action

plan that works in good times and bad, giving you the tools, knowledge, and confidence to seize control of your financial life.

This guidebook addresses the three major financial centers in every physician's life--the medical practice, the pension plan, and personal finances. Listing cases and examples, the author addresses these three interrelated financial centers in a two-phase process: how to conduct practice management review and then how to use this process to establish an ongoing system for successful total financial management. Plus, the second edition has new material on capitation, integrated delivery systems, mergers & acquisitions and practice valuation, pensions, and dealing with managed care companies.

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times--for all the right reasons--but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

"A cheerful manifesto on removing obstacles between yourself and the income of your dreams." --New York Magazine From the #1 New York Times bestselling author of You Are a Badass®, a life-changing guide to making the kind of money you've only ever dreamed of. You Are a Badass at Making Money will launch you past the fears and stumbling blocks that have kept financial success beyond your reach. Drawing on her own transformation--over just a few years--from a woman living in a converted garage with tumbleweeds blowing through her bank account to a woman who travels the world in style, Jen Sincero channels the inimitable sass and practicality that made You Are a Badass an indomitable bestseller. She combines hilarious personal essays with bite-size, aha concepts that unlock earning potential and get real results. Learn to: • Uncover what's holding you back from making money • Give your doubts, fears, and excuses the heave-ho • Relate to money in a new (and lucrative) way • Shake up the cocktail of creation • Tap into your natural ability to grow rich • Shape your reality--stop playing victim to circumstance • Get as wealthy as you wanna be "This book truly crystallizes the concept that financial abundance is an inside job--in that it all begins with your mindset--and Sincero gets serious (in the funniest ways possible) about helping you identify your particular limiting beliefs surrounding money." --PopSugar
