The Wealthy Barber takes the form of a novel, though it wouldn't win many awards for plot, setting, or characterization. The narrator, Dave, a 28-year-old school teacher and expectant father, his 30-year-old sister, Cathy, who runs a small business, and his buddy, Tom, who works in a refinery, sit around a barber shop in Sarnia, Ontario, and listen as Ray Miller, the well-to-do barber,

doesn't have time to stop and catch his breath, the idea of having 8 hours may sound absurd. If that's you, this is your wake-up call. THE OTHER 8 HOURS provides a blueprint that will help you carve out more time in your day and find the inspiration to spend that free time in a more productive way. Whether you want to pay off debt, make more money, start a business, develop a hobby, write a blog, or write the next great American novel, Robert Pagliarini will get you closer to living a richer, more fulfilled life. In THE OTHER 8 HOURS, you'll learn how to: - GET MORE TIME: Chances are you are

overworked, overscheduled, and overstressed. There's too much to do and not enough time. You can create hours of additional free time you never knew you had. - GET MORE MONEY: Traditional financial advice has likely left you frustrated and stuck. Pagliarini introduces new, highly-effective yet unconventional strategies. - GET A LIFE: In order to "get rich" you have to "get a life." The other 8 hours ultimately determine your happiness and net worth. With anecdotes and inspiration from many who have taken control of their other 8 hours, plus hands-on tools for getting started, minimizing risk, and

investors-experienced, beginner, and everyone in between-The Investment Answer distills the process into just five decisions-five straightforward choices that can lead to safe and sound ways to manage your money. When Wall Street veteran Gordon Murray told his good friend and financial advisor, Dan Goldie, that he had only six months to live, Dan responded, "Do you want to write that book you've always wanted to do?" The result is this eminently valuable primer which can be read and understood in one sitting, and has advice that benefits you, not Wall Street and the rest of the traditional financial

services industry. The Investment Answer asks readers to make five basic but key decisions to stack the investment odds in their favor. The advice is simple, easy-to-follow, and effective, and can lead to a more profitable portfolio for every investor. Specifically: Should I invest on my own or seek help from an investment professional? How should I allocate my investments among stocks, bonds, and cash? Which specific asset classes within these broad categories should I include in my portfolio? Should I take an actively managed approach to investing, or follow a passive alternative? When should I sell assets and

Some might say she's thrown her life away. But at her hospital bed, Alex is offered a second chance: to attend one of the world's most prestigious universities on a full ride. What's the catch, and why her? Still searching for answers, Alex arrives in New Haven tasked by her mysterious benefactors with monitoring the activities of Yale's secret societies. Their eight windowless "tombs" are the well-
