the way it was. The dead have risen, and the living are under attack. The powerful Church of Real Truth, in charge since the government fell, has sworn to reimburse citizens being harassed by the deceased. Enter Chess Putnam, a fully tattooed witch and freewheeling ghost hunter. She's got a real talent for banishing the wicked dead. But Chess is keeping a dark secret: She owes a lot of money to a murderous drug lord named Bump, who wants immediate payback in the form of a dangerous job that involves black magic, human sacrifice, a nefarious demonic creature, and enough wicked energy to wipe out a city of

Accounting, by Weygandt, Kimmel, and Kieso one of the most popular books for this course. Real-World Emphasis - the authors continue the practice of using numerous examples from real-world companies in chapter openers and in the Management Insight boxes. Accounting Across the Organization - gives students business context by showing how people, often in non-accounting functions, use accounting information to make decisions. Expanded Emphasis Service Company - prepares students for work in the service industry market, and shows that accounting is relevant to both service and manufacturing companies.
