Whats Happening To My Body

The What ' s Happening to My Body book contained “ more anatomically correct drawings. ” It also has a section about being uncircumcized and how to take care of your foreskin. The Boy ' s Body Book is “ fine, ” but “ it doesn ' t really talk about sex and genital changes. ” It doesn ' t go into as much detail as the other two books.

Understand why, and it explains some of your feelings too - all you need to know for this important time in your life. This is a highly illustrated ebook that can only be read on the Kindle Fire or other tablet.

"Look no further: the What's Happening to Me? books are nothing short of brilliant. They aim to help children aged nine and above understand bodily changes and they do this extremely well... Reading these books will help young people to become more self-assured and feel more comfortable talking about their concerns. Adolescent boys will find this book answers a lot of their questions and help them to worry less about the changes taking over their bodies. Reading these books will help young people to become more self-assured and feel more comfortable talking about their concerns. "

- John Dabell, TES Magazine

Ready, Set, Grow! Young girls before the onset of puberty have a curiosity about their soon-to-be changing bodies that needs addressing in a simpler way than for their older sisters. In Madaras' s proven, trustworthy, friendly voice and style, this entirely new book now brings them the same kind of thoughtful, down-to-earth information—but at a reading and comprehension level that' s just right for them. Responding throughout to real life questions and observations from younger girls, Madara explores the changes that are happening, or about to happen, to them, including: the development of breasts, body hair, and body fat; the changes in their reproductive organs, both inside and out; their first period and all the complex feelings surrounding it; the unwelcome appearance of acne and new body odors; and, perhaps most
