when i was young - French translation – Linguee

Originally written as Hier Encore in 1961 by Charles Aznavour and Georges Garvarentz, Herbert Kretzmer translated this song of the realization of wasted youth and regrets of one's later years. It is one of those heartfelt songs that few could do justice to and even fewer would dare to try. Perhaps made most famous in English by Roy Clark (Yesterday When I Was Young), Dusty performed it with ...

Portrays the family life and simple pleasures of a girl growing up in a small mountain town.

An editor at The New York Times recounts her journey through the publishing and fashion worlds of New York City in the fifties and sixties, as well as her own passage from single working girl to divorced mother.

The book is a humorous nonfiction life story of Josie Pickering.

Wally Baker is no ordinary girl. Living in her grandparents' Brooklyn Heights brownstone, she doesn't like dresses, needlepoint, or manners. Her love of Wonder Woman comics and ants makes her feel like a misfit—especially in the shadow of her dazzling but unstable mother, Stella. Acclaimed author Elizabeth Gaffney's irresistible novel captures postwar Brooklyn through Wally's eyes, opening on V-J day, as she grows up with the rest of America. Reeling from her own unexpected wartime tragedy and navigating an increasingly fraught landscape, Wally is forced to confront painful truths about the world—its sorrows, its prejudices, its conflicts, its limitations. But Wally also finds hope and strength in the unlikeliest places. With an unforgettable cast of characters, including the increasingly distant and distracted Stella; Loretta, the family's black maid and Wally's second mother; Ham, Loretta's son, who shares Wally's enthusiasm for ants and exploration; Rudy, Wally's father, a naval officer, away serving in the Pacific; and Mr. Niederman, the family's boarder, who never seems to answer Wally's questions—and who she suspects may have something to hide—Elizabeth Gaffney crafts an immersive, beautifully realized novel about the truths that divide and the love that keeps us together. Praise for *When the World Was Young* "Elizabeth Gaffney's wonderful, richly imagined novel *When the World Was Young* cheers the power and resilience of a society-bucking young woman."—*Vanity Fair* "Gaffney's heroines are brave and flawed (in a good way)."—*Marie Claire* "[A] smart, sensitive historical novel . . . driven by fast-paced storytelling."—*O: The Oprah Magazine* "Devastating and compelling."—*Elle* "Richly textured . . . Gaffney transports us."—*Reader's Digest* "Lyrical."—*New York Post* "Gaffney provides a lovingly told story of a time and a place and a house New Yorkers will recognize, if only in the mind's eye."—*New York Daily News* "A riveting coming-of-age story . . . a mesmerizing tale."—*Historical Novels Review* "A charming and incisive tale . . . profound."—*Booklist* "[A] layered, delicate novel."—*Publishers Weekly* "A smart coming-of-age tale . . . lively . . . world-wise."—*Kirkus Reviews* "This compelling family drama

features an intriguing cast of characters who are well drawn and realistic, while also being emblematic of their time. Gaffney's writing is graceful and leisurely paced, flavored with nostalgia."—Library Journal
"In this beautifully written novel—an honest and irresistible ride through post-World War II America in all its glory and its shame—Elizabeth Gaffney explores mothers and daughters, upstairs and downstairs, loveless marriages and passionate affairs, without ever losing her story or the fabulous characters that inhabit it."—B. A. Shapiro, New York Times bestselling author of *The Art Forger*

'When I Was Young' is an introduction to history for young children. A child asks his grandmother what she did when she was young, and in this mode we are taken back through time with each generation asking the same question.

This unique and colorfully illustrated children's rhyming book was inspired by Joe Estacio's childhood memories of growing up in Brooklyn, New York. Each page is a nostalgic journey, telling about his life as a child and how different it used to be in simpler times—playing with neighborhood kids, walking to school, shopping and doing laundry with mom, and learning to say his prayers at night. The book expresses the joy of living in and enjoying the world around us. The tone is light with a twist in the middle, and a very hopeful and uplifting ending. Kids ages five and up will enjoy reminiscing with parents, grandparents, and teachers who will be inspired to tell them stories about their own childhoods.

The final installment in Sam's epic trilogy about coming of age in the South.

Biography of noted Australian blues musician Matt Taylor, covering his eventful life in the world of Australian rock music since the 1960s.

The author traces his experiences as a Navy SEAL in Vietnam, which led to his being awarded the Congressional Medal of Honor, and describes his sheltered childhood and his search for the truth about his uncle's death in World War II.

An extensive collection of peoples' personal memories, from the 1920s to the 1960s. You'll laugh, cry or shake your head (in agreement or disbelief!) 400 pages of memories from the decades of the 20th century.
