The Susan B. Anthony Barbie is part of the toy maker's "Inspiring Women" line. (CNN) It's the 100th anniversary of the 19th Amendment and Mattel released a new Barbie to celebrate.

Profiles the life and accomplishments of the schoolteacher who became the most famous leader of the women's rights movement.

A biography of Susan B. Anthony, plus a great deal of information about the 19th century women's suffrage movement.

"Susan B. Anthony didn't live long enough to see women get the vote, but her tireless dedication shines through on every page."--The Washington Post Book World Failure Is Impossible brings together--for the first time--a wide-ranging, spirited collection of Susan B. Anthony's speeches, letters, and quotes, linked by contemporary reports and Lynn Sherr's insightful biographical commentary. By allowing the legendary suffragist to speak for herself, Sherr brushes the dust off of the Susan B. Anthony icon, introducing a new generation to the brave, brilliant, funny, and, most of all, prescient woman she really was. "Lynn Sherr has done us all a great service by bringing to spectacular light the too long neglected story of one of our greatest patriots--a genuine hero who helped change for the better the lives of a majority of American citizens."--Ken Burns

Brings to life one of the most significant figures in the crusade for women's rights in America This comprehensive biography of Susan B. Anthony traces the life of a feminist icon, bringing new depth to our understanding of her influence on the course of women's history. Beginning with her humble Quaker childhood in rural Massachusetts, taking readers through her late twenties when she left a secure teaching position to pursue activism, and ultimately tracing her evolution into a champion of women's rights, this book offers an in-depth look at the ways Anthony's life experiences shaped who she would become. Drawing on countless letters, diaries, and other documents, Kathleen Barry offers new interpretations of Anthony's relationship with feminist Elizabeth Cady Stanton, and illuminating insights on Anthony's views of men, marriage, and children. She paints a vivid picture of the political, economic, and cultural milieu of 19th-century America. And, above all, she brings a very real Susan B. Anthony to life. Here we find a powerful portrait of this most singular woman--who she was, what she felt, and how she thought. Complete with a new preface to honor the 100th anniversary of women's suffrage and Anthony's vital role in the fight for voting rights, this thorough biography gives us essential new insight into the life and legacy of an enduring American heroine.

Essays discuss the significant events, people, movements, and organizations that shaped and reflected the life of the nineteenth-century activist who spearheaded temperance, women's suffrage, and abolitionist movements.

Voting is an important part of being an American. At one time, however, it was a right that only men enjoyed. That changed when a determined woman named Susan B. Anthony spoke up--and acted on her beliefs. She was so sure of her cause that she was more than willing to go to court and state her case in front of everyone, regardless of the threat of imprisonment. Her passion showed the country that something was wrong. Women rallied behind her. Men came to see that women's voices were powerful and important not only in the home but also in the world at large. Anthony did not live long enough to see her vision for women realized. However, thanks to her years of countless speeches, writing, and hard work, along with the efforts of Elizabeth Cady Stanton, Alice Paul, and many others, women finally achieved what they rightfully deserved: the right to vote.

On November 5, 1872, Susan B. Anthony made history--and broke the law--when she voted in the US presidential election, a privilege that had been reserved for men. She was arrested, tried, and found guilty: "The greatest outrage History every witnessed," she wrote in her journal. It wasn't until 1920 that women were granted the right to vote, but the civil rights victory would not have been possible without Susan B. Anthony's leadership and passion to stand up for what was right.

Following a public argument with her friend Frederick Douglass, Susan B. Anthony altered her strategy of seeking a broad range of rights for women and blacks and focused exclusively on winning the vote for women. Defying state and federal law, she voted in the presidential election of 1872, and was arrested and tried in a case presided over by a U.S. Supreme Court Justice, Ward Hunt, who directed the jury to deliver a guilty verdict. Fined \$100, Anthony defiantly told the judge she would never pay--and never did. This is the story of the landmark trial that attracted worldwide attention and made Anthony into the iconic leader of the women's rights movement.

Focuses on the childhood of a pioneer in the crusade for human rights, particularly those of women.

Introduces the life and accomplishments of the leader who began working for women's rights and other social reforms as a young woman and continued for more than fifty years.
