If this is your first visit or your five hundredth, you will discover something new with "The Great Disneyland Scavenger Hunt."

This project-based examination of World War II explores the topic through answering major questions that define this period in history. Learners will tackle challenges and questions through an extended process of investigation and contextualization, guided by historical facts and events that help students refine their research and focus their projects. Placing WWII in a real-world context will lend authenticity to their understanding of the war's depth and significance. Students will retain autonomy over their process, reflect on what they've learned, and share their process with peers and teachers. The result of each project is an actual product students will present to their peers.

This book contains 50 clue-based questions that will send you on a scavenger hunt throughout the city. If you want to add a little bit of history into your travels, then you won't want to miss this book!
